

ADVANCED OPEN WATER - LET'S GO DIVING !

Your Open Water certification is like a learner's permit. Now that you have it, you need to GO DIVING to further develop your diving skills and gain more confidence!

In the Advanced Open Water class, we'll do 5 dives:

- Underwater Navigation
- Deep Diving
- Plus 3 elective dives

For the elective dives, choose from Nitrox, night diving, boat diving, creature identification, peak performance buoyancy, photography, and more!

Requirements:

- Students must have their open water certification
- Students must be at least 15 years of age; 12 for Junior Advanced Open Water

The price for Advanced Open Water Certification is \$275 and includes:

- Course materials
- Dive Boat Fees
- Certification card

Students should have their own equipment for this class.

If necessary, rental gear is available at a reasonable rate.

To sign up for your Advanced Open Water class either:
